CURRENTLY--the dedicated lot of folks who volunteer their time & energy for alternative music at
WICN consists of Yours Truly, Bob Mercer (anything goes if it's good), Mark Lynch (Uncategoriz-
able, sometimes weird, but always entertaining), Dick Greene (Resident rastaman among a variety
of other things), John Z. (terrific ear from A to B-sides to Z), Julia Figueras (Let's dance, then
pause to reflect), JoAnn Robichaud (Poetry in mo-
tion while England rocks), Curtis Casella (punk with a punch that's spiked), Judy & Megan (The
Dynamic Duo of the underage), Katie the Cleaning Lady (unclogs your ears while she curls your
toes), Brian Huntley (back with a vengeance), Donna Tocchio (smooth with style & sound) and
finally, Rick Carpenter (The man with the plan who runs the board for "Funky Street"). That's
the Positive Noise Crash Crew!!!.....Yours at the drop of a name, BOB
